Game Summary

A tower defense game with a twist. Summon unique guardians to protect Lunalie as she journeys in search of the Sorceress.

Game Description

Tiny Guardians is a tower defense game with a twist.

Join Lunalie as she embarks on a quest to find her aunt the Sorceress. Summon up to twelve unique heroes to protect her on her journey, defending against waves of wild beasts, eerie creatures, molten enemies and mysterious circus folk!

Traverse through the Caspid Plains and Fractured Forest, onto the ashen soil of Helix and a mysterious circus. Various updates and unit classes allow for diverse strategies, allowing a different experience on every try.

Highlights

- TD without towers, a refreshing take on this strategy genre.
- 12 guardian classes (with 4 upgradable levels each) are available.
- Over 40 diverse enemy types, come up with different strategies to defeat them.
- Exciting and unique boss fights and special events in certain levels.
- Each level has a Story and Challenge Mode, each with three difficulties.
- Achievements are integrated with the Game Center to store all your accomplishments.
- Gorgeously illustrated cards to summon guardians. Collect them all!
- All the above allow for plenty of strategies!

✓ Retina display support - view all the detailed artwork in high quality!

✓ iCloud support for you to share your progress across devices.
